FAIR TRADING COMMISSION BNTCL DECISION NOT ISSUED

The Commission has not issued a final Decision on the Sol / BNTCL Merger Application. The Preliminary Findings Report (PFR) referred to in the news story in the July 2 edition of the Sunday Sun was sent to the Applicants only.

The Applicants were required to respond to the PFR by June 30, 2017 and have subsequently requested and been given additional time to submit their responses.

The Commission will analyse these responses before making its final determination on this matter, following which the Applicants and the public will be notified.
