

**PROCEDURAL DIRECTIONS**  
**RENEWABLE ENERGY RIDER CONSULTATION- ORAL PRESENTATION**

---

Respondents to the “**Public Consultation on the Barbados Light & Power company Limited Renewable Energy Rider**” will have an opportunity to make an oral presentation to the Fair Trading Commission’s (Commission) Electricity Panel. Accordingly, the Commission is making the following guidelines available for this proceeding.

1. The meeting will be convened at **Lloyd Erskine Sandiford Centre** on the **10<sup>th</sup> day of May, 2013** starting at **9:00 a.m. to 1:00 p.m.** The meeting will be adjourned for one hour and if warranted the oral presentation will resume promptly at 2:00p.m. It is expected that the session will be concluded at 4:00 p.m.
  
2. The Commission’s Electricity Panel in attendance will be:
  - Sir Neville Nicholls - Chairman
  - Mr. Andrew Brathwaite
  - Mr. Gregory Hazzard
  - Mr. Andrew Willoughby
  - Dr. Philmore Alleyne

**Order of the Presentations**

3. The BL&P will be given the opportunity to make its presentation first for a maximum period of 30 minutes. Thereafter, all other participating parties will be allowed to present in alphabetical order. The maximum time for presenting is 15 minutes. Parties with more than one representative are asked to note that additional time will not be given. The Panel will generally seek to enforce the timelines but will apply consideration where circumstances warrant.

## Presentations

4. Parties are asked to note that this oral presentation is optional. Respondents to the consultation that are desirous of making a presentation to the panel are requested to indicate their participation to the Commission on or before 4:00 p.m. the 3<sup>rd</sup> day of May 2013.
5. Parties desirous of making a Power Point presentation to the Panel are required to indicate this **on or before on or before 4: 00 p.m. the 3<sup>rd</sup> of May, 2013.**
6. After parties have made their presentations to the panel, the BL&P will be given the option to either respond orally and/or in writing to any matters arising at this meeting for a maximum period of 30 minutes. In the event that the BL&P opts to respond in writing, the BL&P will be given one week from the date of the conclusion of the meeting to send a written response. Any written response made by the BL&P will be circulated to all parties.
7. This session will not facilitate cross-questioning of any of the other participants.
8. Any additional information to be shared with the Commission must be submitted within one week of this meeting.
9. The Panel may choose to ask questions after each presentation is made.

## **Issues**

10. The issues to be considered at this meeting are:
  - Value of RER Credit
  - Metering System
  - Billing Arrangements
  - Contract Period
  - Capacity Limits

11. Parties are kindly requested to limit their presentation to the above mentioned issues. The Commission acknowledges that some written responses may have contained discussion on other matters relating to Renewable Energy. However, any other issues outside of those listed in this document will not be addressed at this meeting.
